Bidder should have completed similar work as mentioned in the of Requirement" in the last 4 years with total area of 80,000 Sq. Mt. net saleable area (in various exhibitions) with the following provision

			a. For calculating 1,00,000 Sq. mt area only those events having net saleable area greater than 15,000 sq.mt will be considered;	We request the Authority to kindly consider revising the required cumulative net saleable area from 1,00,000 sq. m. to 80,000 sq. m. Further, for calculating the cumulative 80,000 sq. m. area, we request that exhibitions having a net saleable area of more than 5,000 sq. m. be considered instead of the stipulated 15,000 sq. m. This would enable consideration of relevant exhibition experience across a wider range of substantial events.	a. For calculating 80,000 Sq. Mt area only those events having net saleable area greater than 10,000 sq.mt will be considered; Chapter 7 (selection and award of contract) Eight marks for total of 80,000 net sellable area. One mark for each addition of 10,000 Sq. Mtr of net sellable area.
3	46	Annexure 4	List of Trade Shows/Trade Fairs/ Exhibitions as Exhibition Organizers and list of events on hand	Annexure 4 refers to "minimum Work Execution Capacity as per Clause 6.1."
